- **Läraryörelsen II (LFN2)**
  - Interviews with candidates for the position as lecturer at the department of political science. Vivid discussion on expert (sakkunnig) who gave radically different emphasis to research qualities than teaching qualities. ### **Split discussion:**

  - Language chosen in the group for students was Swedish

- På grund av bristen på engagemang i studentråd diskuterades möjligheter att slå ihop mindre studentråd så att de bland annat kan organisera aktiviteter tillsammans.
- Förutom detta diskuterades även möjligheten till hybridundervisning i relation till pandemins omständigheter. Studenter i denna diskussion menar på att det borde finnas fler möjligheter att kunna delta vid föreläsningar genom existerande digital infrastruktur. Det kan uppfattas problematiskt bland annat ur smittskydds synpunkt att det i nuläget finns för få tillfällen att kunna delta digitalt i undervisningen. Snarare förutsätts studenten i nuvarande läget att närvara på plats trots de riskfyllda omständigheterna.

#### **Discussions for PhD candidates:**
